Lisle Township Road District

LEAF PICK-UP BEGINS OCT. 17th

The Lisle Township Road District will pick up your raked leaves beginning Monday, Oct. 17th through Thanksgiving week, weather permitting.

Remember These Dates

Mon. 10/17—First pick-up starts

Mon. 11/21—Last pick-up starts

The township leaf program is designed to assist homeowners clean up their lawns, but may not accommodate every type of tree. If you must get rid of leaves before or after those dates, please make other arrangements. Leaves may be used as mulch in your garden or landscaped areas, or put into bags as yard waste for your waste hauler.

The fields where we deposit leaves closes about Dec. 1. Our last pick-up must end before that date.

The leaf program will stop pre-maturely if we have an early snowfall or icy streets before Thanksgiving. These same trucks must be converted to plow and spread salt. You will then be responsible to clear away the leaves that are left.

Only leaves should be in the leaf piles. Do not leave objects such as logs or rocks as it will jam our leaf loader and cause an interruption while repairs are made.

We welcome calls to our office with questions about the program, but we cannot tell you when we will be on your

street. Leaf pick-up may take from 2 to 7 days, which makes it impossible for us to predict specific pick-up dates or times or locations in advance. We can tell you when our leaf machine was last on your street.

Please read and keep the following guidelines.

Note, it is dangerous to rake your leaves into the street—keep them on the parkway, behind the curb or shoulder.

WEBSITE...

lisletownshiproaddistrict.com

GUIDELINES FOR LEAF PICK –UP

- Rake leaves onto the parkway between the sidewalk and the curb, or between the ditch line and the edge of the road.
- Keep the streets free and clear of the leaves.
- Do not park your car in front of the leaf piles
- Don't allow leaves to clog ditches or storm drains.
- Don't put leaves in bags for us.
- **MONDAY, OCT. 17th** is the FIRST day for pick up.
- **MONDAY, NOV. 21st** before 6:30am is the LAST TIME to put leaves in the parkway.

COMMISSIONER'S CORNER - From Ed Young

It has been a busy season with the successful completion of our roadwork and tree maintenance. We will soon be preparing for fall leaves and snow removal.

This summer our long-time superintendent, John Quinn, retired. John had a successful career with the Road District for over 38 years. He has been instrumental in keeping our roadways and community safe. His wealth of knowledge has been invaluable. John will be dearly missed but we wish him the very best in his future endeavors.

Without any uncertainty, I promoted our foreman, Marty Srail to Superintendent. Marty has worked for the township for more than 30 years. We are indeed fortunate to have him as an integral part of our team

with his experience, expertise and know-how and wish him much success in his new position.

The Road District is also pleased to welcome our new laborers, Brian Pizzano and Jason Lieberenz. Please congratulate them if you see them in the field.

As always, I ask that we drive with caution especially around our schools. If you ever see any unsafe road conditions, please contact the Sheriff immediately (9-1-1). If it involves something in our jurisdiction, the Sheriff will then contact us. If you have any concerns or suggestions, feel free to contact us as we enjoy talking with our constituents. Lastly, I want to thank the Road District staff whose day to day efforts clearly demonstrate a dedication to the continuous improvement of Lisle Township Road District.

LISLE TOWNSHIP NEWS

Car Care Clinic For Seniors

Lisle Township Road District will again be the host location *Saturday, Oct. 8, 2022 from 8:00am to Noon*. Seniors may bring their cars in for a vehicle inspection. The event is hosted by Naperville/Lisle Triad at our campus garage 4719 Indiana Ave., Lisle.

Lakeshore Recycling Clean-Up Day

ANNUAL CLEAN-UP DAY—SATURDAY, OCT. 22, 2022: All residents who participate in the curbside collection programs can dispose of an unlimited amount of refuse and household debris by placing it curbside for pick up. The material must be prepared in the same manner as you would for any other collection day.

To participate, residents with LRS service must affix five (5) Lisle Township purple service stickers to materials set out for disposal. All items must be placed at the curb by 6:00 a.m. to ensure collection as crews will be unable to return to an area once they've passed through.

Clean Up Day Guidelines:

- Clean up day includes standard household refuse/garbage only.
- Materials requiring special handling and equipment are not included.
- All items must be placed to the curb by 6 a.m., Saturday morning, to ensure collection.
- Resident owned, 33-35 gallon or approved garbage containers are considered one (1) item.
- Mattress and box springs must be fully sealed in plastic. Disposal bags are available at various moving, storage and hardware stores, but any type of plastic wrapping is acceptable.
- All bags of refuse must be tied and secured. Loose bags with holes will not be accepted.
- Bags and personal containers must not exceed 35 gallons and weigh less than 50 pounds.

Lisle Township Food Pantry...

is located at 4711 Indiana Ave. and supports residents in the Township that do not have access to enough food for themselves or their family. Clients can check in during pantry hours and shop for themselves from frozen goods and shelves of non-perishable products. Typically they have a variety of pastas, grains, canned vegetables, beans and other canned, bagged and dry goods.

It is open for regular distribution on Mondays, Wednesdays and Fridays from 8:30am—11:30am and 2:00pm to 4:00pm. Various volunteer opportunities are also available. Visit their website for more information at www.lisletownship.com.

Don't Get a Ticket! No Parking Rules in Effect When Snow is ONE INCH!

NO PARKING restrictions during snowfalls is :

ONE INCH!

Vehicles are to be removed from township streets after one inch (1") of snowfall. Any vehicle parked on Road District streets after one (1") inch of snowfall is subject to being ticketed. The ordinance also mandates that the parking ban stay in effect for 24 hours after the snowfall so the streets can be cleared.

When the snowfall is heavier, our plows will clear center lanes first for vehicle traffic. After all center lanes are opened and clear they plow the parking lanes. The heavier the

snowfall the longer it takes to plow.

PLEASE DO NOT PARK ON THE STREET UNTIL ALL SNOW IS REMOVED.

Any vehicle violating the ordinance may be ticketed and fined, or even towed. *Please notify visitors and all members of your household about the **ONE INCH (1") snowfall parking ban.***

The township road crew is always on call in the winter season. In some situations our red trucks may pre-wet the roads with a brine solution to keep the surface safer when snow first starts to fall. We spread salt when ice or

snow accumulates and affects traffic.

We plow arterial and secondary streets first. Cul-de-sacs and dead ends are done last. This system keeps open the roads that serve the greatest number of people.

For the safety of our crew and equipment, do not leave objects such as rocks, fences, hedges or timbers on the parkway. Homeowners may be liable for damages or injuries those objects may cause. Use a reflector

on a 1/2 inch thick aluminum stake if you wish to mark your property edge.

Our snowplows have large blades that can push a great amount of snow toward the curb or shoulder. Most mailboxes, properly installed, can withstand heavy slush. The **township is not responsible** for damage done to mailboxes knocked over by heavy snow or slush.

SUSTAINABLE OPTIONS

Best Winter Practices

Residents are encouraged to utilize best management practices for snow and ice removal during the winter months.

- ◆ Remove snow prior to applying a deicer.
- ◆ Use just enough deicer to reduce hazard.
- ◆ Sweep up and properly store road salt after a snowstorm for reuse.

Christmas Tree Collection ...

will occur the first three full weeks in January at no charge until January 22, 2023. Trees longer than 7' must be cut in half. Trees must be completely free of all decorations and may not be in plastic bags.
